Pastors' Groups Initiative Description

The OneRace Reconciler Experience is a 6-month journey towards Gospel-centered reconciliation in the Church. This initiative will partner with pastors through facilitating prayer, authentic relationships, critical conversations, and a renewed focus on mercy and justice. Together, we can impact the Church in America and change the story for future generations.

Arthur Breland
United Church

"OneRace Pastors' Groups have been a significant lifeline for me while leading amidst the looming culture wars. The community, resources, and support that I have experienced are unparalleled. I recommend all pastors find a tribe of folks to journey with because such a community has tremendous strength. We are truly better together."

Tami Cruz-Free
Crossover Church

"It is challenging for pastors to establish genuine community. When we joined a group, we were unaware of the personal benefits that would come from it. We have been introduced to some authentic faith leaders. We are grateful to have the opportunity to continue to share life with them. Pastor groups are essential and can bring about significant change."

Johnson Bowie
Victory Church

"There is huge value in this Pastors' Groups, not only because of the information but because of the relationships formed. This experience is guaranteed to cascade down from the pastor to those sitting in the pew, ultimately informing how believers practice their faith. Pastors' Groups are a must for pastors everywhere."
